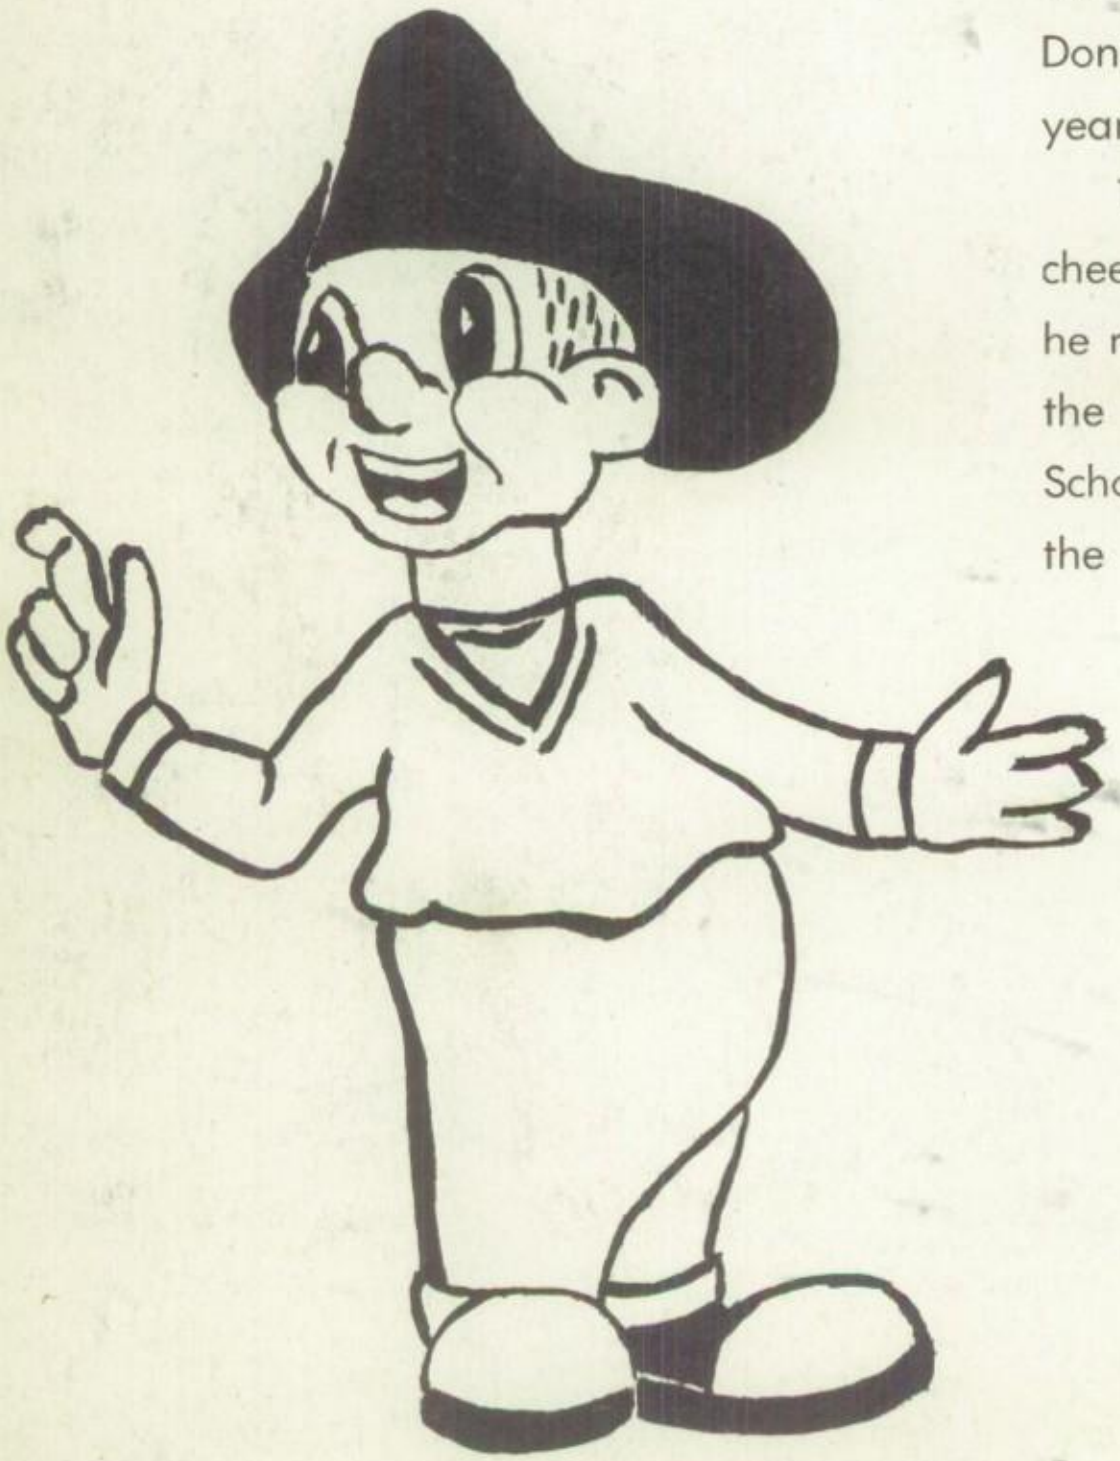
Poor Donnie's Almanac



1956 is the two hundred and fiftieth birthday of Benjamin Franklin. To honor this great American and his most famous publication, "Poor Richard's Almanac," the Olive and Gold staff has made "Poor Donnie's Almanac" the theme of your yearbook.

The Donnie of your Almanac is the cheery figure at the bottom of the page; he represents both Benjamin Franklin and the teen-agers of Santa Barbara High School. Donnie will guide you through the 1956 Olive and Gold.

Future Farmers of America

They Lead

In September, 1953, the seniors of 1956 entered high school as bewildered sophomores. Aiding and supporting our class, Mrs. Zelma Pierce and Mr. Clayton Clark, counselors, helped us become orientated to high school, and plan our future programs and vocations. Mixing in student life, we joined clubs relating to romance languages, hobbies or occupations. We soon were introduced to school traditions: *No underclassmen allowed in the student-body room; only senior girls sit in the front of the auditorium;* and such customs and institutions as: sitting in the rooting section at football games; then to the "Rec"; the "BO", teen-age terminal; and cruising State to the beach.

Talking over this year's program for the senior class are Da Robinson, class president, Mrs. Zelma Pierce and Mr. Clayt Clark, senior counselors.

Class officers who presided over the Senior Class Council during the year are Dave Robinson, president; Rosalind Rea, secretary; Rod Duncan, vice-president, and Keith Troxel, treasurer.

Our Activities

During our second year, the hardest academic school period, we sponsored a junior class-faculty basketball game, a movie, and jam sessions. In our last, full year, we duplicated the junior year's activities and included magazine and decal sales, a senior class-faculty basketball game, and Senior Week with a barbecue, beach party, Senior Frolics, and the climax — the inspiring graduation ceremony and all-night party held at the Biltmore's Coral Casino.

The seniors who are in charge of senior week had an enormous job to do as Nanci Browning, Janet Weidenbach and Dave Echols discovered. Nanci was in charge of Senior Frolics, and Janet and Dave were co-chairmen of Senior Week.

Representing the Senior Class, as well as making the decisions for the class, is the job of the Senior Class Council. Members of the council include: **Row 1:** D. Robinson, pres.; R. Duncan, vice-pres.; R. Rea, sec.; K. Troxel, treas. **Row 2:** T. Rhorer, J. Ludlow, S. Adams, N. Browning, A. Terres, E. Siben, M. Urton, J. Wheeler. **Row 3:** A. Overoye, N. Nakaji, J. Weidenbach, S. Neslen, P. Marwede. **Row 4:** C. Milne, R. Peden, T. Zollars, D. Tracy, D. Schneider, G. Cavalletto.

Sealbearers

SBHS Sealbearers attempt to live up to the motto of the California Scholarship Federation—"Scholarship for Service." These honored seniors, in addition to their outstanding scholastic achievement, were active in extra-curricular activities. Sealbearers, in order to earn life membership in the California Scholarship Federation, must belong to the Federation at least four semesters during high school. One of these semesters must be during the senior year. The Sealbearers have gold seals on their diplomas and on their college transcripts.

The Student Legislature under the chairmanship of Student Body President Mickey Bennett listens to the reading of the minutes by secretary Marilyn Parry.

Legislature

"Will the meeting of the Student Legislature please come to order!" On Wednesday, the representatives of each homeroom, together with the student body officers, meet to discuss and decide on problems dealing with the school. Students thus improve school government and gain valuable experience.

Deputies

Ticket Sales Committee

Cling! A pleasant sound can make a funny noise. This would be confusing except that the "cling" registers cash in the ASB till. Security of this type is earned by the Ticket Sales Committee, who, aided by Mr. Louis Tsoutsouvas, sells tickets to all pay assemblies, school dances, and football and basketball games.

The Junior class started making money for its senior party by planning a pennant sale and a Junior Week, featuring disc-jockey shows, a noon dance, and a special talent show. During Christmas, toys were collected for the Council of Christmas Cheer. A movie was also sponsored by the class.

Guiding the members of the Junior class through its years at SBHS are Mr. John Greene and Miss Laura Lou Houghton.

Entertaining during the intermission at the Pigskin Prom was a talented junior, Gail Popkin.

"Boy, I'm sure glad that's over!" were common words during junior testing. These industrious-looking students were among the first to take the tests.

Orientation day, held a few days before the opening of the fall semester, was an exciting experience for the new sophomore students. It was the first introduction of the class of "58" to high school life. During orientation they met their counselors, Miss Dorothy Cotton and Mr. Harold Dierenfield, who would help them through their three years at SBHS. After school started the class elected officers and a council to plan their activities.

Departments

School

In the midst of one of his many business calls is Mr. Douglas White, SBHS principal.

Two of the busiest people around the school were Mr. John Nordenson, vice-principal, and Miss Frances A. Gower, dean of girls.

Whatever is Best

To the Class of 1956:

Three years ago I referred to your class as "the biggest and the best." Since that time you have ceased being "the biggest," but more important than that you have continued your interest in being "the best." As you go through life perhaps you will not always be "the best' 'in many of your undertakings. But if you strive for that goal, always keeping your standards high, you will be rewarded with a full, rich, happy life. My best wishes go with all of you.

Douglas C. White

Principal

Taking time out from their busy schedule to pose for a picture are Mr. John S. Greene, head counselor; Mr. Donald Stillman, chairman of instruction.

Community

General problems of the Santa Barbara city schools are handled by the Board of Education. Working in collaboration with the Board is Dr. Einar W. Jacobsen, Superintendent of Schools. Financial and maintenance problems are handled by Mr. George Browne, Assistant Superintendent of Schools. Dr. Charlotte Elmott is in charge of instruction in the secondary schools. SBHS's administrators help with student problems. Mr. Douglas White, principal, co-ordinates our school's policies, and sees that everything runs harmoniously. Mr. John Nordenson, vice-principal, has school executive duties and advises the student legislature. Miss Frances Gower is Dean of Girls and advises the Girls' League.

SBHS is growing at a fast rate. Looking at the past records of enrollment and deciding how the problem will be handled in the future are Dr. Charlotte Elmott and Mr. George Browne.

The great responsibility of managing the Santa Barbara school system rests upon the shoulders of Dr. Einar W. Jacobsen, Superintendent of Schools.

Administered is Best

Mr. William Kircher, registrar and Mr. Louis Tsoutsouvas, dean of business.

Deciding the general policies of the city's school system are the members of the Board of Education. They are Bruce B. O'Neal, vice-president; Mrs. Elizabetta P. Henderson; Mr. C. E. Sovine, president; Mr. Joseph Paxton; and Mr. David S. Licker.

Mrs. Helen Gilbert, secretary to the business manager.

Mrs. Helen Robinson, attendance office secretary.

Mrs. Ernestine Shean, counselor's office se

Upper: **Mrs. Ingrid Barto,** secretary to the dean of girls.

Lower: **Mrs. Olma Bowman,** librarian, and **Mrs. Ilene Clark,** library assistant.

They Help

A vital part of our school, the people on these pages help solve many student problems throughout the year. Due to the nature of their jobs they are perhaps more familiar to students than are many teachers.

SBHS is unique in its picturesque landscaping and facilities for student use, kept in condition by our gardeners and custodians.

If you want to make a phone call or have lost your locker key, need an experienced adviser, want to make an announcement or are late or tardy, you need a secretary. These myriad tasks are part of the responsibilities of our SBHS clerical staff.

The library clerk keeps records of all the text books.

The efficiency of the library is an important consideration to all the school.

Mrs. Faith Harder,
secretary to the principal.

Mrs. Melba Smith,
secretary to the vice-principal.

Mrs. Vivian Williamson,
attendance office secretary.

Miss Martha Hazelette, school nurse.

Us All

The health and general welfare of the students were the concerns of the school nurse and the cafeteria staff. The nurse watched over our health and also managed the athletic eligibility records. A pleasant feature of our school life was the varied, wholesome food served by the cafeteria staff.

The cafeteria staff, from left to right, are: Mrs. D. Bonner, manager; Mrs. C. Rodriguez, Mrs. T. Goldsworth, Mrs. C. Clark, and Mrs. A. Melchionette.

Our custodians are from left to right: Mr. W. Robles, Mr. S. Grover, head custodian, Mr. F. Deboux, Mr. M. Motto, Mr. C. Waltemath, and Mr. V. Bear.

Ten minute periods with five minutes in between . . . Utopia? No, just the PT parents' night, with the parents going to classes instead of the students. Class listening attentively to Mr. Robert Shannon.

Upper: Looking for a job where you can work during school in order to get experience in a particular line of work? If so, see Mr. Robert McNeill or Mr. Cedric Boeseke, job placement and work experience directors.

Lower: Mrs. Olma Bowman, school librarian, has assisted many students in finding books for collateral reading and book reports.

Out of

Santa Barbara High School grew both in the number of students and teachers this past year. The new faculty members are: Mr. Ernest Berg, testing and English; Mr. John Boettner, mathematics and seminar; Mrs. Mildred Burks, English; Mr. Everett Crist, history and government; Miss

the Classroom

Upper: Looking over the transcript of a new student are Mr. John Greene and Mr. William Kircher, head counselor and registrar respectively. Lower: Because of the tremendous increase in enrollment, an extended day will be used at SBHS next year. Mr. Donald Stillman, chairman of instruction, is explaining the schedule to the faculty at one of their meetings.

Still interested in the affairs of SBHS are Mr. H. Holt and Mr. H. Foster, although they have retired. Mr. J. Nordenson, vice principal, welcomes Mr. and Mrs. Holt and Mr. Foster to the Christmas Tea.

Upper Left: Hawaii? New York? Italy? Miss Frances A. Gower is trying to decide where to travel after her retirement.

Center Left: All join hands and circle left! Mr. and Mrs. William Kircher spend many a Saturday night at Peabody School dancing to a lively square dance.

Lower Left: Taking care of a garden and orchard takes up most of the spare time of Mr. Clinton V. Denman.

Lower Right: How's that for a shot? Mrs. Portia Hykes is often at the golf links practicing her favorite sport.

Retiring Teachers

Parting is such sweet sorrow

Retiring this year are Miss Frances A. Gower, Mr. William Kircher, Mr. Clinton Denman and Mrs. Portia Hykes.

In 1911 Mr. Denman, cafeteria manager and driver training teacher, started his teaching career in Illinois. After teaching in Texas, Mr. Denman came to SBHS in 1922, where he has been director of continuation education and administrative assistant to the principal. He hopes to devote more time to his garden and to various contests after his retirement.

Miss Gower, dean of girls, first taught Latin, Spanish and basketball in Ontario, Holtville and Fillmore. She came to SBHS in 1920 as a Spanish instructor and later became dean of girls. Her hobbies are gardening and reading. After her retirement Miss Gower plans to travel.

Although Mrs. Hykes, mathematics teacher, has been at SBHS for only one year, she has been in the Santa Barbara school system for many years. Before coming to Santa Barbara, she was principal of Newcastle High and county superintendent of schools in Placer County. Mrs. Hykes is an enthusiastic golfer and plans to spend more time with it in the future.

Our registrar, Mr. Kircher, is retiring after more than forty years of service, mostly in the Santa Barbara schools, where he has served as principal of Garfield School, La Cumbre and SBJH, and SBJC. He previously held principalships in Hayward and Marysville schools. His chief hobbies are traveling, athletics and square dancing. Visiting different sections of our country will be one of his main activities during retirement.

Dr. Einar W. Jacobsen, superintendent of schools in Santa Barbara, announced in the spring that he would join the faculty at USC for 1956-57.

While waiting in the cafeteria line, Miss Frances A. Gower, Mrs. Portia Hykes, Mr. Clinton V. Denman and Mr. William Kircher discuss their retirement plans.

Forge Staff

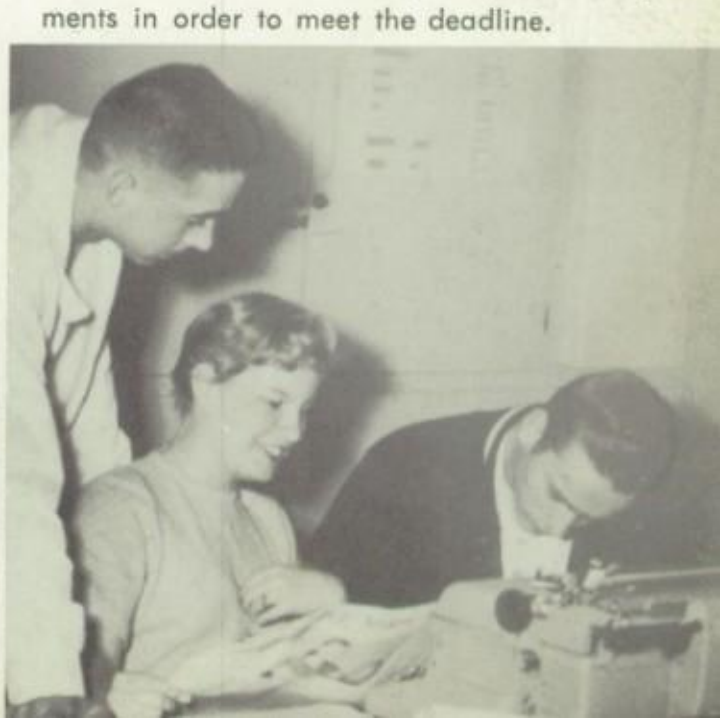
"A drop of ink may make a million think."

Work! Work! and more work goes into editing and publishing our weekly newspaper, the Forge. Reporters have assigned "beats" just as in professional newspapers. Student staff members, aided by Miss Westfall, Forge adviser, write headlines and copy.

a hard-fought battle, the Forge staff red a telephone for their own use. As e Mauldin inquires about an advertise- Judy Ritchie and Gloria Malengo plan irls' story for the Forge.

A common sight in the Forge room were staff members typing copy. Hard at work are Mike Mangan, editor, Micky Bennett and Shirley Camargo.

Kay Gerdes, page 2 editor, Ray Heinisch, business manager, and Bob Russell, boys' sports editor, concentrate on completing their assignments in order to meet the deadline.



On one of the many Saturdays spent in Room 121, trying to meet the current deadline, are members of the staff taking a break from the routine.

In one of the most successful sales weeks ever, staff members sold 1313 yearbooks. Selling over one hundred yearbooks each were Bob Benbrook, Linda Rearwin, and Adelle Newton.

The three busiest members of the Olive and Gold Staff are Avis Boutell, editor; Mrs. Mary Lee Erwin, adviser; and Dave Jung, business manager. Here they check galley proofs from the printers.

Section Editors Merrill Campbell, Yoshiko Valentine Nishihara, JoAnn Dalton, Schneider, and Alicia Tonnar discuss their our sections during a meeting.

Olive and Gold Staff

"The reward of a thing well done is to have done it."

These are the students who know every inch of your yearbook by heart. For over a year the Olive and Gold staff has been closely and continuously connected with the pictures, copy, drawings and important and minor components of this book. Most of the staff will contend that "Poor Donnie's Almanac" was built from "blood, sweat and tears," but they will admit that ideas and hard work helped.

"Radio's slim fingers influence the world."

The thrill of being "on the air" never fades for members of the advanced Hi-Lights class. Students, under the direction of Miss Rubie Burton, run two weekly programs on local radio stations for the benefit of the listening audience of Santa Barbara.

Practising for a Hi-Lights play are Patti Fullberg and Darrel Dickey.

Thespians

"All the world's a stage."

Membership in the National Thespian Society is the goal of every drama student. A hundred hours of theater work is required for membership in this honorary society. This year the group took a show to Port Hueneme and presented plays to the student body.

During one of many rehearsals, Miss Reynertson, adviser, is helping Barbara VanLoan and Mac Brown with their lines.

Much work and planning go into the production of all plays. Members of the Thespians plan the forthcoming Port Hueneme show.

For their main production of the year, Thespians gave the play, "Papa Is All". Needham, Mike Manchester, Barbara Van and Bob Byers are shown in a scene from production.

Students take part in Dramatic Productions

"... and all the men and women merely players."

Responsible for such successful productions as "Papa Is All" and "Three for the Money," was the Theater Arts III class which met sixth period each day under the direction of Miss Joan Reynertson. Besides planning and taking part in plays, they practiced acting and staging techniques.

Scholarship Society

"A wise person is always learning."

What is the reward for hard study? Scholarship Society is the answer. The minimum requirement for membership is ten points, two of which may be extra-curricular points. To become a Sealbearer a student must be on scholarship four semesters, one of these being in the senior year. As a service project the organization provided a family with a merrier Christmas.

Some of Junior Statesmen's many projects were participation in state and regional conventions and assistance given local organizations during the election campaign. The chief money-raising project was operating a concession stand and selling programs during the annual Easter Relays. Dances of many lands are practiced by members of U.N.Y. Dancers. "C'est la vie!" These were familiar words to students in Comme-ci Comme-Ca, the high school French Club. To join this club a student must be taking French as a class or be able to speak the language. As service projects the club provided a Christmas tree, dinner, and presents for their Christmas family and sent five Care packages to Europe.

Latin Club

"Gallia est omnis divisa in partes tres!" The Roman influence could be seen when the Latin Club donned togas for the annual Homecoming Parade. Club members must have taken, or be taking, second-year Latin. Singing carols for rest homes and providing a merrier Christmas for a family were among the service projects undertaken by the club.

School and Community

A Cappella is the answer to the hopes of industrious and talented vocalists. This well-trained group produced "Moods in Music," as entertainment for the school, and participated in the annual Christmas program. They sang for numerous civic organizations, including Rotary Club and The Woman's Club at Rockwood. A Cappella chorus also traveled to Pomona on May 11th to take part in the choir festival.

Music Refreshes the

Music coming from the band shack fifth period, made it difficult for girls to concentrate on their tennis. Accompanied by the Donettes, the SBHS Band marched at all football games as well as in several community parades. Many organizations called on them to play for luncheons and special programs.

Along with other musical organizations from the entire state, they competed for honors at the 15th Annual All Western Band Review held at Long Beach. Again this year, the band had a spring program featuring the outstanding members as soloists.

Besides taking part in other SBHS Band activities, these four clarinetists played in the clarinet quartet for fun as well as to provide music for local civic groups. Members of the quartet are Joe Berta, Jean Arca, Bob West and Barbikay Bissell.

Cartoonist for Walt Disney, perhaps, or commercial artist for magazines or industrial firms, are some of the vocations described by various speakers to the Art Club. In the Homecoming Parade nearly everyone saw the majority of the club straggling up the street in everything from baby buggies to tri-cycles — "CIF bound". The club completed several service projects in the second semester.

Business

It's much easier to picture the problems of the business world when you hear men and women in the local field give pointers. FBLA's purpose is to prepare students for future careers in business. Speakers heard this year were teachers, a stockbroker, and the head secretary from the city administrator's office. The group raised money for a CARE package, held a "Business Day," and also gave several parties. In April a delegate was sent to the state convention in Riverside.

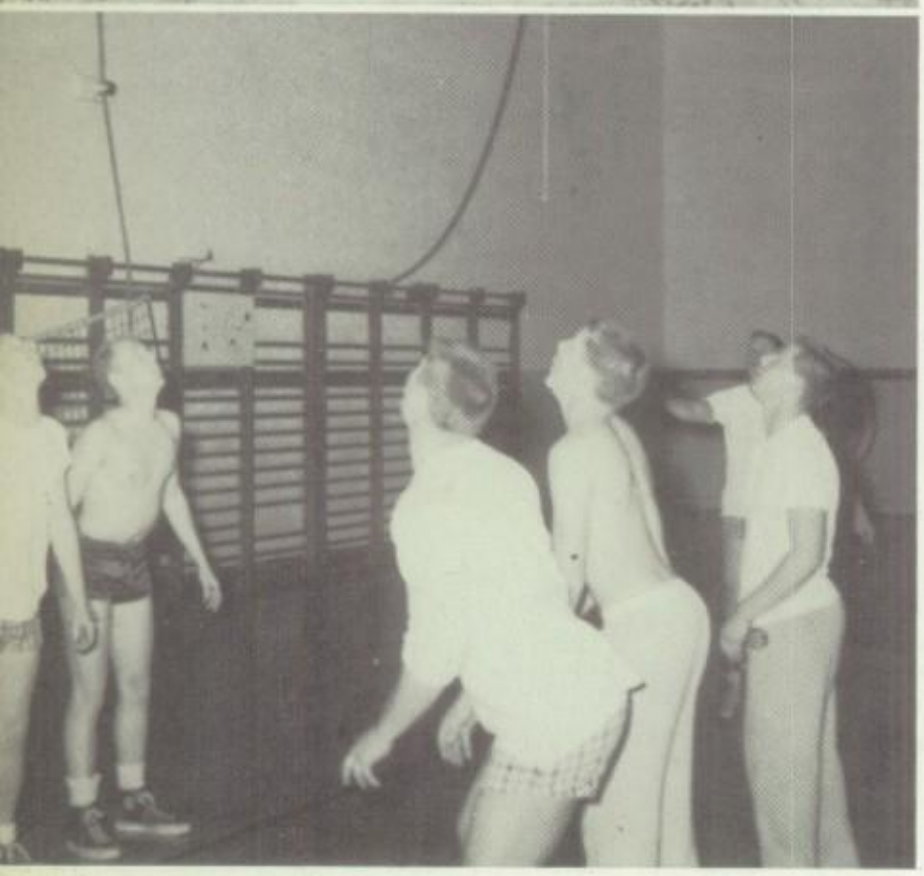
Heading the Hi-Y Council are Norman Nakaji, vice-president; Dick Tracy, treasurer; Dave Echols, president and Bing Cherrie, chaplain. Through these officers the council works efficiently and carries out the needs of the Hi-Y.



Each year, Hi-Y has a basketball league in which the different clubs compete. The Knights and the Celtics wait for a free throw during one of the many games at the Y.M.C.A.

Sparking the various Hi-Y Clubs, the Hi-Y Council is the hub of a well-rounded program of service and social and religious life. The council sponsors many activities, such as a Can-Can Dance, at which canned foods are collected to aid needy families at Christmas time. The highlight of the year was the election of Dave Echols as governor of the state-wide Y.M.C.A. Youth in Government conference, held yearly at Sacramento. The Tri-Hi-Y Council, one of the fastest growing groups in school, is also one of the most active, sponsoring such events as the Candy Cane Caper, Mothers' Tea, and Family Pot Luck. The group is guided by Mrs. Carol Smith, Y.M.C.A. Girls' Work Secretary, and Mrs. Mildred Burks, faculty adviser.

Behind all the Tri-Hi-Y activities are the members of the Tri-X, the Tri-Hi-Y officers, Peggy Canterbury, Marsha Urton, Janice Wheeler, Nancy Saperstein, Joan Perry, Pat Eldridge, and Sue Small.

Annual events of each year are the Officers' Training meetings. These meetings are lead by the members of Tri-X. Nancy Saperstein is instructing club secretaries on the duties of their office.

1. "Survival" is an important part of the swimming program as taught in Santa Barbara High School.

2. Self-defense in boxing is another phase of the individual physical education program.

3. Along with boxing, the boys learn judo which teaches them co-ordination as well as self-defense.

4. Testing on the high bar improves physical stamina.

5. Coach Sam Cathcart and a member of P.E. program demonstrate action on the t polin.

6. In track and field events, the boys sp work at distance runs, hurdles, broad j high jump and perform many other indivi activities. Below is the testing of the st ing broad jump.

7. Another phase of the individual prog is tumbling. By the time the boys grad they have a working knowledge of mos the individual sports.

Not only are individual sports stressed, but all of the major team sports are taught in physical education classes. Warm-up calisthenics precede all class activities.

P. E. Classes Rate High in Nation

Boys at Santa Barbara High School are fortunate in having a highly competitive physical education program in individual as well as in team sports. Because of this well-developed program, headed by Mr. Clarence Schutte, SBHS boys rated among the highest in the nation in physical development tests.

During the fall semester, members of the P.E. classes played intra-mural football. A league was maintained in each of the classes with the winners playing each other during the noon hour. After Christmas vacation, students launched upon a basketball league with the same competitive plan as that of football. In addition to these two major sports requiring teamwork, were the individual sports of boxing, judo, tennis and trampolin skills.

The first part of the spring semester was devoted almost entirely to field and track events, climaxing in a grand intra-mural track meet. After the track meet, the boys began eleven weeks of softball following the same league plan as in football and basketball. Softball was continued until the end of school. In the spring, the individual sports stressed were badminton, tumbling, golf and wrestling.

Football

"Will he or won't he?" is the question in everyone's mind as Number 34, Al Castillo, attempts to fall back into the end zone. (He made it!)

Injuries and Sore Defeat

The 1955-1956 SBHS Dons finished this year's football season with a 4-4-2 record. The Dons were an up and down team all season while playing some of the toughest squads in the southwestern area.

Spirits were high after the team crushed Loyola 32-6 in the opening game of the season. Fullback Norm Revis and halfback Al Castillo each scored two touchdowns in the opening contest, and were dubbed the "touchdown twins." In their next two games, the Dons created a sports rarity by drawing two ties in a row. After fighting to a scoreless tie with a "never-say-die" team from Oxnard, the Dons blew a 20-point lead and had to settle for a 27-27 tie with our southern riivals, the Ventura Cougars. The Dons broke back into the winning column by stopping the Pasadena Bullpups, 20-13, but on their jaunt to Phoenix, Arizona, the local team experienced their first loss of the campaign, 14-0. The following week, back in Peabody Stadium, Coach Lou Tsoutsouvas's boys outfought the Bell Eagles for a 24-12 win before a large Homecoming crowd. The Huntington Park Spartans invaded Peabody and upset the favored Dons 20-6, ending all hopes for a CIF team.

End Mickey Bennett

No outstanding player was produced during the year, but a number of players performed solidly for the school. Dick Heron played almost the entire season at quarterback, ending with a .480 in completed passes. Fullback Norm Revis, who played a first class game on defense and offense, received an ankle injury in the middle of the season and Dave Robinson came in to fill the position. Robinson played superb ball up to the final echo of the final gun. A highlight of the San Diego game was the fumble recovered by end Andy Putnam, who raced into the end zone for the first Dons tally. Another highlight of the year was right-half Fred Hepp's 62-yard touchdown jaunt for the Dons' only counter in the Mesa game.

Throughout the 1955-1956 campaign, the SBHS Dons fought and played remembering the adage, "A team that won't be beat, can't be beat."

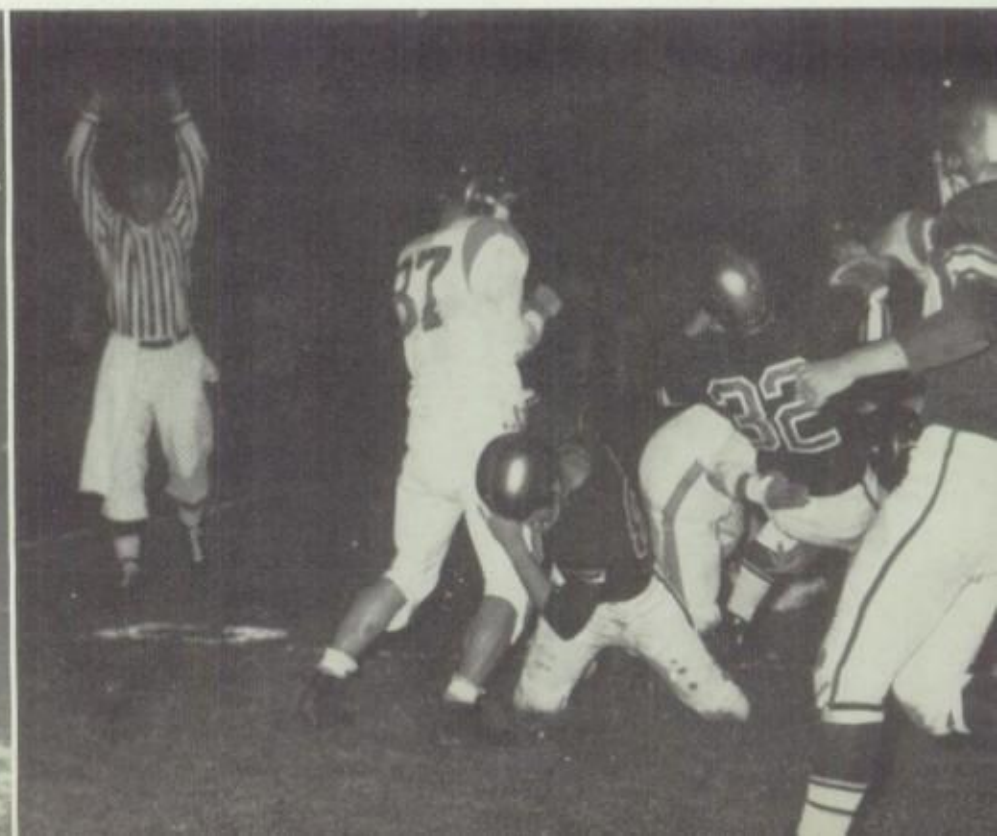
Good Season for Sophs

The 1955-1956 Sophomore football team compiled a season record of 4 wins and 1 loss under the capable coaching of Mr. Charles Sylvester. The team recorded wins over Los Prietos, Ventura, Oxnard, and again Los Prietos. Their only loss was to the Santa Maria Jayvees. The line of the team averaged 197 pounds, which Coach Sylvester stated was good for a college team, and which should prove of benefit to the varsity team next year.

Warm-up exercises were a must before all football games. Below, the team goes through a running-in-place drill.

Number 32, Eddie Castillo gets into the end zone for 6 points in a Don home game.



Basketball

Through the competition of slave day, many SBHS students turned out to root for the basketball team. The boys won, making the girls their slaves for one day. In the front row, above, is the basketball team. Although our games were well attended, the team just managed to compile a 5-17 season record.

It's harder to sink than you think

The SBHS swimming team, under the able coaching of Mike Moropoulos, placed four team members in the CIF finals this year. Bob Bowen placed in the backstroke, Ken Hoff in the medley, Dan Robles in varsity diving, and Bill Aikele in Bee diving. Approximately 40 boys turned out for the team, providing depth as well as ability.

On the green

At time of writing, the SBHS Golf team under the leadership of Mr. Clarence Schutte had started on their way to their third CIF championship in as many years. Performing ably for the school were Ron Ginn, Farnum Regan, George Downing, Norm Nakaji, Artie Costas and Bob Hanna.

About ten boys tried out for the team, and all were constantly vying for starting position.

It was a famous victory

In his first year as SBHS' tennis coach, Mr. Sam Cathcart led the team into CIF competition. Returning lettermen on the squad were Leroy Gilbert, Dudley Foot and Tom McDougall. All home matches were played on the Municipal Courts near the beach, with the boys spending practice sessions at the high school and Municipal Courts. Syd Tucker, director of the Municipal Courts, provided a great deal of assistance to Coach Cathcart.

"The mighty Casey had struck out"

A potentially strong SBHS Don baseball team got off to a slow start in the 1955-1956 campaign. Even though the Dons lost only two of their starting nine from the previous year, they were able to take just three of their opening seven games. One game was tied, and the other three dropped.

Coach Chuck Sylvester had top ability in the pitching department. Seniors Bob French and Pete Capovilla provided the experience, with transfer student John Laughlin and sophomore Bill Oakley proving themselves able hurlers. Behind the plate, Coach Sylvester alternated Bruce Schuette and Norm Revis with the other playing right field to provide added power at the plate.

The squad had the opportunity to play many of their home games in Laguna Park, the old home of the Channel Cities' Oilers. The remainder of the home games were played on the lower field at SBHS. The Girls' Athletic Association, under the executive board headed by president Karen Davidson and Mrs. Louise Erikson, adviser, upholds the ideals of good sportsmanship and promotes athletic events. Their many activities include the annual Harvest Dance, the GAA-Faculty Softball game and participation in the Homecoming Parade by entering a float, which won honorable mention. An initiation is held at the beginning of each semester so that all girls with more than 200 points may become members. To keep in contact with other GAA organizations, SBHS sent representatives to the Girls' Athletic Federation convention, held in Fillmore, in April.

Girls' Athletic Association Executive Board members are A. Foss, GAF representative; Mrs. L. Erikson, adviser; K. Davidson, president; J. Troop, first vice president; P. Participation

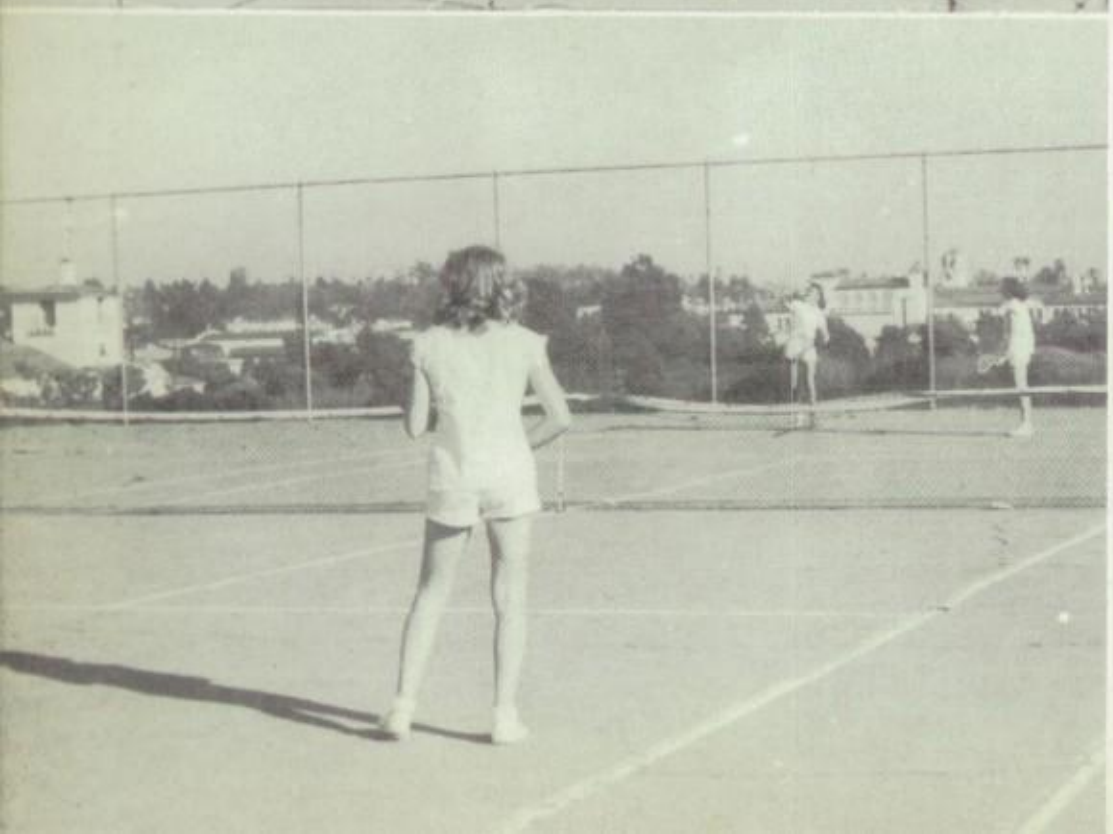
On the lower tennis courts, several sets of doubles are played by members of the sixth period sports class.

The annual Modern Dance Concert was presented in March by the advanced modern dance class under the direction of Mrs. June Lane. The program started with a scene entitled "In Preparation.". The second part, "Choreography," was expressed through discovery, assimilation, transition and synthesis. Besides giving their annual dance concert, the girls shared in the presentation of the Christmas show. The dance classes for sophomores, as well as the advanced classes, serve to create expression of emotions and ideas through dance.

Stirring games of singles and doubles in the tennis classes determine top players of the class. The girls' tennis team participated in tournaments, including the Ojai Tennis Tournament in April.



Tennis is played the year around by many girls after school. Loretta Roper awaits a service in a game of doubles.

Basic swimming strokes, safety, life-saving and artificial respiration are taught in the girls' swim classes. This year's swimming and diving team took part in several meets with other high schools. The annual swim show in May, "Stairway to the Stars," highlighted the year for all the swim classes.

Student Life

Each day

1. Carla Davis and Marion Lewis attempt to balance their books and carry on a conversation with Kay Renaldi and Sue Johnstone while opening lockers before their first period classes.

2. It's lunch time and the line at the shack is just as crowded as usual. Chris Barnes, Gene Brady and Jack Graham are fortunate, occupying the front of the line. Judy Wilson and her companions will have to wait a little longer for their food.

3. Conversation at lunch runs the gamut from discussing the latest assignment to "who are you going to take to the next dance." The largest group of students gather during noon around the girls' ping pong tables.
